meeting

Meetings are held every fourth Thursday of the month (except November when we'll meet on the third Thursday of the month) at the German American Social Club on Pine Island Rd. Nonmembers are always welcome to attend our meetings so please feel free to invite relatives, friends, and neighbors.

Thursday, January 25th – 9:30 am our guest speaker will be Liz McCauley, Director of the Cape Coral Animal Shelter.

Thursday, February 22nd – 9:30 am our guest speaker will be Jason Orellana, a Risk Reduction Specialist with the Cape Coral Fire Department.

The Club does not purchase pastry, donuts, cookies, etc. for the monthly meetings. Instead, we depend on donations from our generous members. Your food donations are greatly appreciated and quickly consumed.

Charitable Donations

Janice Tribble

The Cape Coral Social Club supports several different community organizations. On an ongoing basis, we support the Cape Coral Caring

Center that supplies food and other household essentials to families in need from our community. Donations of money, food, pet food, hygiene products (shampoo, toothpaste, soap, etc.) and household cleaning supplies are accepted and delivered to the Caring Center the next business day. We also support the local Lions Club with donations of unbroken glasses of all types. Glasses may be prescription, reading glasses, or sunglasses. We support the Shriner's Children's Hospital with donations of pull tabs from cans that are recycled for the value of the metal. For these three groups, donations may be made at any general meeting or dinner dance. Occasionally, we make special requests for the Caring Center for school supplies or food youths can easily prepare when school is not in session.

Other organizations we support are the Cape Coral Animal Shelter with notice of when we are collecting for them, For the Children with donations of small hygiene products that are provided to several local elementary schools, and an annual donation of \$500 to the Do the Right Thing Program run by the Cape Coral Police Department to recognize youths who choose to do something positive that is helpful to others. All of these are funded through membership fees and proceeds from 50/50 drawings.

Donations were small from the December general meeting and the January dance, but these events were close to the holidays and all donations are appreciated, no matter the size. As always, thank you for your continuing generosity as we strive to care for the community where we live.

Message from Our President

As most of you know, it takes a lot of hours to run our club and keep it as fun as it is. We've grown so much over the last 2 years. This has put additional strain on those few members who are always willing to volunteer, especially the board members. Unfortunately, we've now reached a point where we can no longer continue to provide the services and the perks with just the limited number of volunteers that we have. Like all clubs, volunteerism is down. What this means is that going forward, I don't want anyone surprised if we must change things, we have become very accustomed to, i.e., organized lunches and dinners, tours, free soft drinks at our dances, and other tasks that require people to be responsible for every month or on an ad hoc basis. I'm hoping we don't have to resort to eliminating any benefits members enjoy. But I also don't want anyone shocked if we must do this.

We need people who are willing to help set up the free soft drinks at our dances and stay to help clean up afterwards. We need people to handle the raffle at both our general meetings and the dances (does not have to be the same person). We need people to help organize the lunches and dinners. We need people to help set up the breakfast refreshments. We need someone who will take over publicity or at least help with it.

We all love our club, and we really don't want to see any of it change but we won't have a

choice unless we have more people willing to work at it. Please get in touch with me or any board member to discuss this further. Thank you. Gloria Mazzagatti

Please Donate: Puppy Love and Kittens Too!

The Cape Coral Social Club is proud to support the Cape Coral Animal Shelter as it moves forward with plans to expand their no-kill animal shelter and veterinary clinic. Please join Club members as we embark on an effort to raise money to help with the expansion of the shelter to add 18,000 square feet which includes 45 additional dog kennels and 8 large cat condos and the remodel of the current building to expand the services of the low-cost veterinary clinic located at the shelter at 325 SW 2nd Ave, Cape Coral.

Tours of the Animal Shelter are scheduled for Wednesday, January 31st. See activity information in this newsletter. The theme for the February 3rd dinner dance will be "Puppy Love and Kittens Too".

Special donation boxes will be on each table at the January and February general meetings and the February dance for your donations of loose change, bills, or checks (made out to either Cape Coral Animal Shelter or Cape Coral Social Club). Our Club goal is to raise at least \$500 in monetary donations to help with the shelter expansion. The Animal Shelter is also in need of supplies including clean flat sheets, towels, dog and cat food (cannot be opened), pet toys, etc. Please check out their

website for a complete list of items on their "wish" list.

If you will not be at a meeting or dance, please contact Cheryl Samuels at 239-850-7768 to make arrangements for your donation. Thanks for your support.

\$\$\$\$\$\$\$\$\$\$\$\$ - IMPORTANT CHANGE - Members have always been asked to pay for activities when signing up for a particular activity. That rarely happens but usually payment is made before the actual event. At times, when it was close to the event, members would bring their cash or check and pay Cheryl at the event. Unfortunately, due to recent issues, members will no longer be able to pay Cheryl at an activity. All money due will have to be paid by the sign up date listed in the newsletter and on the flyer displayed with the sign-up sheets. A member will not be included in the activity unless money is paid by the sign-up date. Just a reminder that no refunds can be issued for no shows or cancellations once the Club has provided an activity venue with the number of participants. That date varies based on the requirements of the venue but is usually at least one week in advance of the activity.

The Cape Coral Social Club had 1216 people participate in 43 planned activities for 2023. Eighteen activities are already available to members for 2024 – see the latest activities information in the February newsletter or on the Club website.

If you have any questions, call chairperson Cheryl Samuels at 239-850-7768 or look for her in her “neon pink” Cape Coral Social Club ball cap.
